+ UBHA will provide host Committee / Producer with: Entries, Daysheet, Draw, Judges' Sheets

+ Late entries will be considered if there is availability of space, with a \$50 late fee per animal (fee will be split between the host committee and the UBHA).

+ Minimum entry fee for any UBHA sanctioned dummy class is \$100, plus the \$35 UBHA fee.

+ Minimum entry fee for the UBHA rider class horse is \$250, plus the \$35 UBHA fee.

+ \$35 Sanctioning Fee required for all entries at UBHA Event.

+ Minimum entry fee for cowboys will be determined by each event host committee.

+ A host committee may limit the number of entries for their event but it may not be less than 20 entries per class.

+ Any monies held back by the host committee may not exceed 40% of the base entry fee. All added money must go into the “pot” and not considered for any hold back for the host committee.

+ All horses competing at a UBHA sanctioned event that compete in any class shall pay a sanctioning fee, even if the class is designated “jackpot” or non-sanctioned.

Any UBHA member or nonmember whose check given in connection with the exhibition of bucking horses or other related UBHA business is returned by the maker’s bank shall be assessed a fee of \$50.00 per occurrence. Full restitution for the face value of the check plus the \$50.00 fee must be received within fourteen (14) business days.

Failure to make full restitution, including all fees, within fourteen (14) business days will result in an automatic suspension with disciplinary hearing. Suspension will be sustained until full restitution, including all fees, are received.

Age Verification

Any UBHA member may question the age of an entered animal anonymously prior to the animal being bucked. The member must notify a director or member of the host committee of such request and post a \$100.00 bond. The animal will then be mouthed for age verification after the animal is bucked. UBHA Management will be responsible in the approval of a professional to age verify. If the protest is found to be valid the \$100.00 bond will be returned and the member entering the animal will be fined \$100.00, plus the cost of mouthing the animal. The Member will not be able to enter another event until fine is paid. The member making the request shall remain anonymous. All animals are subject to random age verification as per request by UBHA Management. Any animal competing in the wrong class will be disqualified. Repeated violations of this rule will result in board action, fines and/or suspensions.

“Re-bucks”

If a horse falls during competition, (any part of the horse’s torso above the legs touching the ground constitutes a fall), the horse shall be marked zero. If a flank falls off, prior to the buzzer, the horse shall be marked zero. In both scenarios, the contractor will be offered an opportunity to re-buck at a price of \$200 (\$175 to pot, \$25 to producer). Contractors must declare intention to re-buck or deny opportunity prior to the next horse bucking. “Re-bucks” will be bucked at the end of the class. *There will be no “Re-bucks” at UBHA Finale or Finals due to any reason other than contract personnel error. In such scenario, UBHA Management will determine as to whether horse will receive a “re-buck.”*

Drawing for Positions

The host committee may choose one of the following:

+ Draw positions per horse or by contractor for that class.

+ Draw a load order and buck at the discretion of the chute boss.

+ Draw a buck order and make every effort to stick to the drawn order.

Judging

All events will have 4 judges to judge each animal. Judges must be approved by UBHA Management. Each judge will score the animal from 0-25 points in quarter point increments. In rider events, each judge will also score the cowboy from 0-25 points in quarter point increments as well. **All 4 judge scores must be utilized.**

Each animal should be scored on the following criterion:

+ **Pattern** - Beginning and ending with a fluid motion and pattern, proximity to the chutes and amount of ground coverage should be considered.

+ **Intensity** - fire, energy, determination and force.

+ **Rhythm/Timing** - Regular recurrent motion or natural flow.

+ **Kick** – Extension of the hocks with each jump.

+ **Elevation** – Horizontal leap and amount of suspension with each jump

> Horses shall be docked for bucking in an “eliminator” erratic style, walking on front end, double kicking, and being out of line.

> In the event that a horse falls during the competition, (any part of the horse’s torso above the legs touching the ground constitutes a fall), the horse shall be marked zero. (see “Re-Buck” ruling above)

> If a flank falls off, prior to the buzzer, the horse shall be marked zero. (see “Re-Buck” ruling above)

> It is the Contractors responsibility to ensure that all equipment is rigged properly.

> All Scores shall be posted and available for Contractors to view as soon as possible.

> If a horse fights the chute, after three attempts to mount the dummy, UBHA management or judges have the right to disqualify the horse if, in their opinion the health and welfare of the horse or event personnel is at risk.

> In all UBHA Sanctioned events, deliveries may not be changed once the draw has been completed and/or posted. Exceptions to this rule will only be made if the error is that of UBHA/Event Administration in transferring the information from the signed entry form.

Event Management shall report to the UBHA office any judge who is absent from his duties after accepting an assignment. The judge shall be removed from the UBHA Approved Judges List until the judge submits a written statement to UBHA Management. A judge will be reinstated to the UBHA approved Judges List only after UBHA Management determines that a judge’s absence was for just cause.

A judge must present in writing any grievance that he/she may have against contestants or Event Management to the UBHA. A complaint by a judge must be filed (post- marked, faxed or hand delivered) within seven (7) days of the alleged rule violation.

Event Management is not authorized to dismiss a judge for any reason relating to the actual performance of his judging responsibilities once a UBHA sanctioned event has commenced. However, event management may dismiss a judge for blatant misconduct immediately before or during an event such as consuming alcoholic beverages or drugs or any conduct in violation of state or federal law immediately prior to or during an event. A judge may be dismissed for any reason by the UBHA if, in their opinion, it is in the best interest of the UBHA to do so.

Each Committee/Producer should have results, score sheets, memberships, and money to the UBHA within 7 days. Failure to comply may result in fines, event not being sanctioned in future and/or event points/results not counted towards Season Standings.

Health Requirements

All animals must be healthy and fit for competition.

All horses exhibited at a UBHA event shall meet the health requirements required by the state and/or locale of the event. This may include a negative Coggins test and/or health certificates. The host committee of an event shall bear the responsibility for checking health papers.

All animals must have a permanent identification brand. Any animal competing without a permanent brand will be warned after the first event entry (points will count). At the second event, entry/competing will not be allowed. The

identification numbers must be legible at all times. If they are blurred or haired-over, the numbers must be clipped or renumbered. UBHA Management must approve any exceptions to the above in writing.

Horses are not required to be DNA registered to compete at UBHA events.

Point System

In the case where there are 15 or more entries in a class, the maximum number of points awarded in that class will be 15 points.

The UBHA shall have a Finals event at the end of the point year. The location shall be determined by the UBHA.

Added money and prizes for the finals shall be determined by UBHA Management.

Ties will be broken for awards only. All other ties will split money and points.

+ First tie breaker = highest total score from all four judges.

+ Second tiebreaker = highest single mark from one of the four judges to 2nd highest, 3rd highest and 4th highest scores will be compared until a winner is decided. If still a tie, a coin flip will determine the winner.

Contractor of the Year Award

Contractor of the Year is determined by the total points of ALL the contractor's colts from ALL EVENTS.

Points earned by horse will follow the contractor/partnership name, not individual contractors.

Contractor Points earned by an individual or partnership may not be transferred to any other card or member. Only animal points may be transferred with proof of sale. Points will only be transferred if there was a current UBHA Membership for the contractor's name under which the horse was listed/competed.

All Year-End Awards are given at the end of the Year-End Finals/Finale. To be eligible for any awards, the contractor and horse must compete at the finals.

All points won at the UBHA Finals shall be added to the point total of both horses and contractors to determine the Year-End award winners in all classes, including the Contractor of the Year.

Payout scale

The host committee must post their payout per number of entries and may cap the number of places to be paid with a maximum of 5 places.

1-5 entries pay 1 money (100%)

After further review, the UBHA may impose additional disciplinary actions for violations of this rule.

The UBHA will not tolerate mistreatment or abuse of any kind to a bucking horse while in the bucking chute by any person.

UBHA sanctioned event management is expected to handle all stock with the finest efforts and attention. It is the responsibility of the owners to have their stock prepared, chute broke, arena and horse savvy when they arrive at any UBHA event. Owners must respect that the event management will do their best to accommodate all stock and their welfare. Owners will be required to sign entry forms stating that in no way will UBHA, event management or any of its affiliates, agents or employees be responsible for any accident, death or injury to any animal or person at any time on the event grounds during the said event.

Event management shall have a veterinarian on call in the event of an animal emergency. In addition, they shall have a contingency plan and the necessary equipment to handle an animal injury in the event one should occur.

Violations of this rule shall result in a minimum fine of \$250.00 and disqualification of said horse at the event in question. Fines shall be levied by the UBHA. Failure to pay fines shall result in suspension of member until such fines are paid. Medications may be administered after competition by the owner without veterinarian supervision, however a UBHA and/or host committee representative must be notified and be present during administration of medications.
